

Year 5

2018 Summer First Half Term Home Learning Project.

Your home learning project this half term will focus on different aspects of life in the 17th Century and around the time of the Great Fire of London. There are several aspects that you could investigate, compare and contrast:

- Contrasting food of the rich and poor
- The plague and its effect on London
- Advances in medicine in the 17th Century
- The work of Samuel Pepys
- Fashion in the 17th Century
- Entertainment in the 17th Century
- The Great Fire of London

You have seven aspects to choose from; you must choose at least four to include in your project.

You should also include an introduction to tell the reader what they will be learning about, as well as a conclusion to summarise the main points of what you have learned.

You can complete a written project or you can choose to present your ideas in any other imaginative way you choose. You should have lots of good ideas from sharing your last projects with others in school. Please do your best to produce a high standard of work, as there could be lots of House Points and prizes to be won!

Some useful websites which could help you in your research:

<http://archive.museumoflondon.org.uk/Londons-Burning/>

<http://www.fireoflondon.org.uk/>

<http://www.historiccoventry.co.uk/1605/main/workshops.php>

http://www.bbc.co.uk/schools/primaryhistory/famouspeople/samuel_pepys/

<http://www.localhistories.org/stuart.html>

<http://cookit.e2bn.org/historycookbook/33-341-stuarts-Food-facts.html>

There are of course many books in school and local libraries that you can use to help you too. You must hand in your completed Home Learning the week commencing 21st May.

PLEASE DO ASK your teacher if you need any help or guidance with completing your home learning project - we are here to help! :o)

Mrs Hill and Mrs De'ath
