Dear Parents/Carers

Welcome to the Summer Term! We would like to take this opportunity to welcome the new children who are starting with us and we hope they enjoy their time with us.

Just a reminder that we go to the school library on Monday afternoon and Thursday morning. The children take a clear library book bag to put their book in, these are available from us at a cost of 50p. New library book bags are on order and will hopefully arrive soon.

This term we will be learning about plants and growing. We will hope to make good use of the weather to start planting in the Nursery garden and begin to use our mud kitchen! We will also be talking about moving on to Reception class and making new friends. We have many other exciting events to look forward to so look out for additional letters and notices on the Nursery windows.

This term the children will also have a chance to take home their key group toy for the weekend. Please fill in the attached sheet if you have a preferred weekend and we will do our best to accommodate you. This does not involve much! We would like it if you could write down what you did, it doesn't have to be anything special, and draw a picture or send in a photo. You can use the following email address: bgiles@office.birchhill.bracknell-forest.sch.uk

We always welcome pictures of things the children have done at home so feel free to email anytime using the above email address.

As always if you have any questions please do not hesitate to come and speak to a member of staff. We look forward to spending the term with you and your child

The Nursery Team
Mrs Giles, Mrs Studer, Mrs Hartley, Mrs Mitchell
